B27.4 Headboard Blocks

Allyacht Spars manufactures a range of Headboard Blocks that are a cost-effective alternative to the range provided by the major manufacturers. The most common use is as an attachment to the headboard to enable a 2:1 halyard. Another use (excluding the Headboard Block Integral) is as turning blocks for halyards on a Deck Plate or a Deck Collar which utilises the Pinned design for attachment points (see Sections B5.1 and B7.2).
